## FINDING THE RIGHT PEOPLE FOR YOU

APN has continually exceeded our expectations, providing us with the highest quality technology professionals.

– Development Manager, Deloitte & Touche

No matter how complex or urgent our staffing needs, APN has always gone the extra mile to accommodate our organization.

– Senior Vice President, Aetna

APN has demonstrated phenomenal growth since its inception in 2002, emerging as a leader in the IT staffing and quality testing industries, across a broad range of market segments such as the health, banking, finance, and insurance industries.

APN Consulting is a recognized leader in end-to-end technology consulting and staffing services throughout North America. Headquartered in Princeton, New Jersey, and with a presence in several other major U.S. cities, we furnish our clients with the most skilled technologists in the most efficient and cost effective manner.

At APN, we consistently and relentlessly work to exceed our client's expectations, providing full-service staffing solutions that are as value-added as they are innovative. Our holistic portfolio of full-lifecycle recruiting, consulting, and staffing services enables us to effectively align the IT assets of our clients with their core business much more expediently than our competitors.

APN Consulting, Inc. is ranked #255 on the 2009 Inc.500 annual list of the fastest-growing private companies in America.

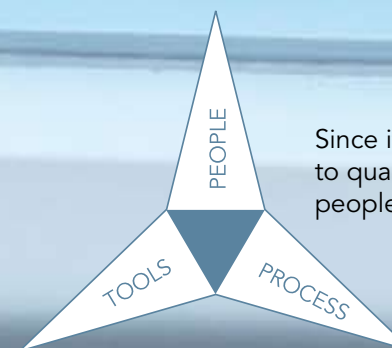

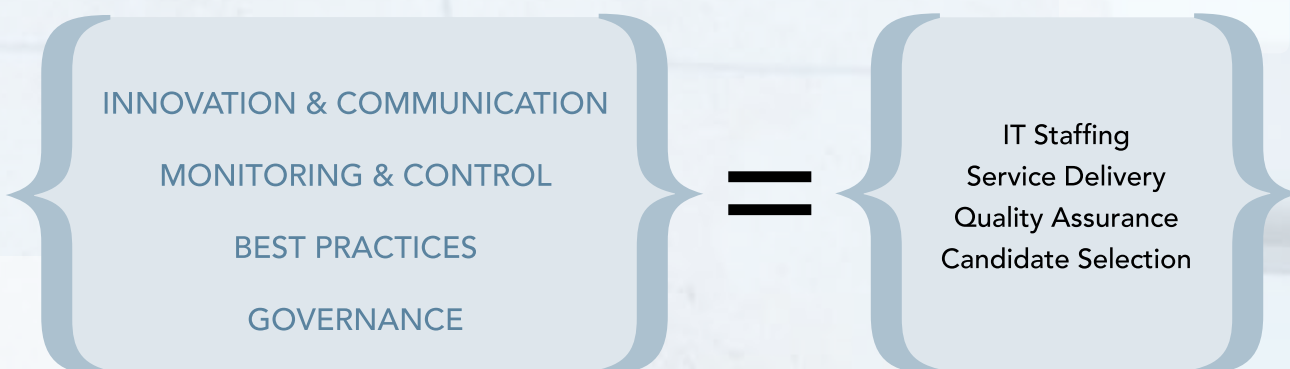

## WHY APN?

### Innovation is our Advantage

In addition to our personalized and always customized value-added service, our strategic and tactical capabilities exceed that of our competitors because we are innovators in our industry:

- Recruiting Methodology**  
 Candidates are pre-screened and pre-tested in person via a methodology that is highly predictive of future success.
- Customized Staffing Solutions**  
 We tailor our core competency—innovative staffing services—to fit the custom needs of each client.
- Performance**  
 APN utilizes a portfolio of Key Performance Indicators (KPI) to measure quality and service performance so as to ensure that value is continually being created for clients.
- Just-in-Time Staffing and Rapid Placement**  
 We are leaders in just-in-time staffing, with an extensive database of highly skilled candidates.
- Business Experts**  
 Our staffing experts have extensive domain expertise in all major business verticals. We understand the distinct staffing challenges faced by each one of our clients and focus on generating successful results.
- Governance First**  
 APN is a well-governed company. We know how to mitigate risks and exposure for clients and ourselves.
- Going Green**  
 Steeped in Green IT practices, ours is an organization that prides itself on sustainability and environmental friendliness.

APN strives to ensure that all stakeholders—both clients and candidates—share ‘common goals’. Our recruiting methodology positions us to function as both a strategic partner and service provider to our clients.

Since its inception, APN has shown its total commitment to quality management and QA testing by focusing on people, process, and tools.
